May 2026

- *Emphasis in Human Resources Management and Leadership*

CERTIFICATION

Human Resource Management: HR for People Managers, through Coursera December 2024

- Completed an 8-course series gaining comprehensive knowledge of HR principles, policies, and practices, including talent acquisition, performance management, and employee rewards
- Developed a multi-step action plan to address performance evaluation, selection, and reward challenges in a real-world workplace as part of capstone project

MILITARY EXPERIENCE

United States Air Force

Various Locations

Logistics Supervisor

February 2020 – April 2024

- Directed 8-member team to develop most efficient routing system for \$47 million in supplies/equipment
- Monitored all transportation operations, including quality controls, to ensure transportation services met contract obligations, as well as local and national government regulatory requirements
- Oversaw dispatching, routing, tracking and shipping activities to ensure safe, prompt, and accurate delivery of transportation equipment – achieve 99.5% delivery rate on all assignments with no materials/assets loss
- Identified and corrected efficiency bottlenecks, saving \$1.2 million and resulted in faster, more accurate supply shipments
- Trained staff on new tracking procedures and communicated operation needs to senior management

Logistics Coordinator

June 2016 – February 2020

- Collaborated with and supported Logistics Manager in overseeing \$25+million in equipment and supplies shipped worldwide to support wide range of projects
- Assured proper authorization on all shipments; oversaw tracking cross-border transportation activities
- Optimized flow of supplies by developing and operating automated systems
- Led smaller teams in developing effective stocking and inventory management systems to minimize loss and maximize performance

Logistics Support

June 2014 – June 2016

- Coordinated with staff regarding relocation and transportation arrangements
- Prepared documentation and coordinated transport of resources and materials
- Marked and labeled freight; documented, verified, and inventoried cargo; prepared and submitted reports
- Maintained accurate records and managed office correspondence
